PRINCIPAL’S MESSAGE

Congratulations to our Year 6 students who raised $115 through the Milkshake Day. This was a fantastic effort and the milkshakes were delicious. Congratulations to Harry Rowbottom who will be competing in the PSSA Swimming carnival tomorrow. We all wish him well.

This Monday our students will be participating in a HipHop dance program which will run for 5 weeks. The cost for the full program per child is $10. This is very generously subsidised by the P&C.

With the cooler weather students are wearing jumpers to school in the mornings, please ensure names are on all jumpers and jackets.

SCHOOLS A-Z

Don’t forget to have a look at the schools a-z website it has an enormous amount of information for parents and students. There are tips for homework help, healthy recipes, planners, games, assignment help and much more.

It is well worth a look!
This year in lower division we are learning phonics using the Jolly Phonics Program. The children will be learning a song and action for each of the 42 sounds. The students have really been enjoying the program and have already mastered 13 of the songs and actions. They have been applying this knowledge to sound out and read beginning sight words which is a great achievement for our kindergarten students! Well done and keep up the enthusiasm!
Look what’s happening in Upper Division

Here is the display of the artworks Upper Division were working on last week in relation to their study of ‘Garden of the Purple Dragon’.

We would like to introduce to you our new support teacher and scripture teacher, Mrs Margaret Beal. Margaret will be with us this year supporting students learning. Welcome aboard Margaret!!

“I am very pleased to be teaching at Rocky River P.S. It is such a delightful school with so many happy and hard-working students. Everyone has made me feel very welcome.”
FOR YOUR INFORMATION

Please remember to sign in the attendance record book if you are bringing students in late or collecting them early from school this is a DEC requirement.

We will be once again running the **Scholastic Book Club** at our school this year. It has proven to be very successful in the past and we have been able to acquire many wonderful new resources for our library through your support. You would have received the first issue for this year last week but for those who have lost them or would like to pass some on to friends/family we do have some spares at the school. These are kept in the front foyer area in the display rack. The orders and payment for the first issue will be due back at the school by 18th February.

**GUESS WHAT**!!!!... We will be running a **Scholastic Book Fair** commencing on Monday 25th March and finishing on 28th March so keep these dates in your diary because we will have lots of **AMAZING** things on offer. Friends and family will be welcome to come along too!

Friendships to boost your child’s learning

If children are happy socially they tend to be more engaged in their learning. So teaching your child about the importance of making friends is as vital as learning their ABCs.

Speech problems

All kids learn how to talk and listen at different rates but did you know there’s a general pattern to your child’s language development?
