PRINCIPALS MESSAGE
How exciting it was to have the NRL players in the school yesterday. They were very impressed with our school and the students who asked some excellent questions and were also able to talk about the Father Chris Riley program “Youth off the Streets”. They were very impressed that the students are community minded and have developed a strong sense of values.

Please remember all students must be in full uniform with black shoes for the school photos on the 6th March.

Loud Engines! 25.2.15

On Tuesday some football players came to visit our school. There were so many when they came here. All of the kids got a football from some of the players. The players have retired from football. The day was very very awesome.

Youth off the Streets

On Tuesday everybody was eating lunch when the legendary NRL players rode in on their Harleys to talk to us about Youth off the streets. They told us about Father Chris Riley and the programs he runs. They signed footballs that they gave us. Everybody was kicking and passing our footballs and we got photos and a special visit by prime 7 News. It was a great blast and we hope they come again.
